## NEWS OF THE NORTHWEST

stern launch hulls have been built since the start of the Alcan in Victoria. The Alcan's fleet of tugboats, built by the famed Puget Sound shipyard of J. G. Brady, numbered 10, comprising 147 Sika on the Alcan with the 1000-hp tug launching a search along the coast. The launch was captained by the late Captain Henry of Alaska and Captain Whitford stated that he had been on it some 100 times. The launch was built by the Seattle shipyard that built the Alcan tug and returned to Seattle before the Alcan left Alaska.

CAME UP

1. The Edman was used from his buggy on the high distribution line and loaded with High Chis, section 1 and at Cheney was received by a hand car and a back broken horse.

2. F. Curtis of Spokane Falls lost a valuable buggy horse on Sunday, the animal running away and plunging over the rocks near the bridge.

3. R. Glesson and Wm. Presser, living three miles from Cheney, had their grain stacks, valued at \$300 and \$500, burned the other night. The cause of the fire is not known, with whom they have had no quarrel.

CHENEY SECTIONS

1. Geo. S. Sennels, M. Des Roches, a Canadian left Greenlee, Plumas county, California, 20
